Maximum LOA for Vessels Turning within the Dock

Attention Mariners,

This notice is issued to inform all vessels navigating in the vicinity of Prince of Wales Dock about a new restriction on the maximum Length Overall (LOA) allowed for vessels turning within the dock.

Effective 04.12.2023, the maximum allowable LOA for vessels turning inside the Prince of Wales Dock is set at 82 meters. This restriction is implemented to ensure the safe and efficient navigation of vessels within the confines of the dock, taking into consideration the available maneuvering space and safety.

Vessel operators, captains, and all concerned parties are hereby advised to adhere strictly to this new LOA limit when planning and executing maneuvers within Prince of Wales Dock.

Please disseminate this information to all relevant personnel and ensure that it is prominently adhered to, for further inquiries or clarification, please contact the Harbour Master.

Your cooperation in adhering to this LOA restriction is crucial for maintaining a safe and efficient maritime environment within Prince of Wales Dock.

Thank you for your attention and cooperation.

This Notice is Self-cancelling
