NOTICE TO MARINERS

No. 11/2024
PORT OF WORKINGTON

CHANGE OF CALL SIGN – WORKINGTON HARBOUR RADIO TO WORKINGTON LPS

Mariners are advised that, effective immediately, the Port of Workington will be changing the call sign for its Harbour Radio service. The current call sign "Workington Harbour Radio" will be replaced with "**Workington LPS**" (Local Port Services).

All vessels are requested to use the new call sign "**Workington LPS**" for communications when navigating in or near the port area. This change is being implemented to align with updated port communication protocols.

Please ensure that all onboard communication systems are updated to reflect this change and that your crew is informed accordingly.

For further information, please contact the Harbour Office on 01900 602301 or via email at gateway@portofworkington.co.uk.
